

Hull Local Plan: 2016 to 2032

Living with Water- Approach to Surface Water Drainage

Supplementary Planning Document

Consultation Statement

October 2019

Background

- 1.1 In preparing Supplementary Planning Documents (SPDs) the Council is required to follow the procedures laid down in the Town and Country Planning (Local Planning) (England) Regulation 2012.
- 1.2 Regulation 12 states that before adoption of a SPD the local planning authority must prepare a statement setting out:
 - the persons that the local authority consulted with when preparing the SPD;
 - a summary of the main issues raised by those persons; and
 - how those issues have been addressed in the SPD.
- 1.3 This Consultation Statement accompanies the Living with Water- Approach to Surface Water Drainage Supplementary Planning Document. This document provides additional planning guidance on Policy 38 Surface Water Storage and Drainage and Policy 39 Sustainable Drainage in the Hull Local Plan 2016 to 2032.

Consultation

- 2.1 Preparation of the draft SPD obviously involved engagement with Yorkshire Water and other Risk Management Authorities such as the Environment Agency and East Riding of Yorkshire Council. Plus other Council departments, including Planning Development Management Officers. The draft SPD has been through the Council's committee regime and elected members have had the opportunity to comment on the draft document.
- 2.2 The draft SPD was made available for public consultation for six weeks between Monday 9th July 2018 and Monday 20th August 2018. A public notice to publicise this event was published in the Hull Daily Mail on Monday 9th July 2018. The consultation was also reported at Planning

Committee and Cabinet Committee in June 2018.

2.3 The draft SPD and associated documentation was made available for inspection on the Council's website and at the following Council locations:

- the Wilson Centre;
- Guildhall reception;
- Hull History Centre; and
- all Council Customer Service Centres and libraries.

Consultation responses and main issues

3.1 Following the six weeks consultation period the Council received no representations therefore the draft Living with Water- Approach to Surface Water Drainage will be adopted with no changes.
