

Council Tax Reduction Scheme

1 April 2025 to 31 March 2026

Foreword

Hull City Council is required under Section 10 and Schedule 4 of the Local Government Finance Act 2012 (LGFA) to implement a local Council Tax Reduction Scheme for its residents annually each April.

This document sets out Hull City Council's Council Tax Reduction Scheme for the period 1 April 2025 to 31 March 2026. It replaces the Council Tax Reduction Scheme for the period 1 April 2024 to 31 March 25. The scheme complies with the requirements of Section 13A and Schedule 1A of the Local Government Finance Act 1992.

Eligible applicants will be awarded a reduction of their Council tax liability, expressed as an amount of Council Tax payable lower than the amount which would be payable apart from the reduction under the scheme.

The scheme comprises rules and enabling schedules which take account of matters prescribed for all Council Tax Reduction Schemes as laid down in The Council Tax Reduction Schemes (Prescribed Requirements) (England) Regulations 2012 (SI 2012/2885), as amended.

The following statutory instruments, made between 16 March 2024 and 24 February 2025, are relevant to this year, updates for previous years are retained for reference within previous schemes.

- SI 2024 No. 377
- SI 2025 No. 39
- SI 2025 No. 201

The prescribed requirements govern how a reduction for persons of pensionable age is to be determined and also prescribe conditions that must be applied for persons of working age. Other matters relating to the determination of a reduction for working age persons have been defined by Hull City Council in that a reduction is calculated by a means tested approach similar to that within the Housing Benefit Regulations.

The scheme does not impact upon discounts (section 11 to 13) or exemptions (section 4) that are applicable under the LGFA 1992.

Pensioners

It is a legislative requirement that those of pensionable age continue to receive support by way of a Council Tax Reduction on the same terms as would have applied under the Council Tax Benefit scheme. This scheme meets with this requirement incorporating the provisions laid in The Council Tax Reduction Schemes (Prescribed Requirements) (England) Regulations 2012 (SI 2012/2885) as amended.

The following statutory instruments, made between 05 October 2023 and 10 January 2024, are relevant to this year, updates for previous years are retained for reference within previous schemes

- SI 2024 No. 377
- SI 2025 No. 39
- SI 2025 No. 201

The Council Tax Reduction Schemes (Prescribed Requirements) (England) Regulations 2012 (3) defines the meaning of a pensioner for the purposes of this scheme. Those not defined as pensioners are by default classed as working age persons.

Working Age

Hull City Council, in accordance with legal requirement, operates a localised Council Tax Reduction Scheme for working age persons that takes into account local knowledge.

Matters specific to Hull City Council's Council Tax Reduction Scheme

1. A Council Tax Reduction will be calculated on a maximum of 80 per cent of the applicant's liability after the application of discounts under the LGFA 1992. A working age person will be expected to pay the remaining 20 per cent of their liability in addition to any liability remaining after a reduction under this scheme has been calculated.
2. Hull City Council will not award alternative council tax reduction for working age persons. Previously known as 'second adult rebate' under the Council Tax Benefit Scheme, this award was based on the income of second adult(s) residing in the dwelling and was payable when the council tax payer was not entitled to a single occupier discount because of a second adult(s) residing with them. Where the council tax payer is unable to pay their council tax they will be entitled to apply in their own right for a reduction under this scheme.
3. Hull City Council will disregard all income received from War related Pensions in full for both pensioners and working age persons. The provision, for pensioners, that is contained within schedule 5 of the Council Tax Reduction Schemes (Prescribed Requirements) (England) Regulations 2012 allows for a disregard of £10; this is not a prescriptive disregard of an overall maximum amount and as such a more generous, full disregard can be allowed for within this scheme.
4. Hull City Council will administer applications, changes in circumstance and grievances / appeals under the administrative provisions contained within The Council Tax (Administration and Enforcement) Regulations 1992 and provisions set within this scheme.
5. Where a working age person is a Universal Credit claimant, Hull City Council will determine a reduction on the basis of a periodic review of Universal Credit income over a maximum 6-month period subject to specified changes occurring within that period (Class F (paragraph 17A) and Part 13A of this scheme apply).
6. Where a person has an award of Universal Credit, their income is treated in Hull City Council's scheme as being that which is calculated by the Secretary of State for the purpose of determining their award of universal credit.

Universal Credit is determined in accordance with The Universal Credit Regulations 2013 (SI 2013/376), as amended.

The following statutory instruments, made between 12 April 2024 and 24 February 2025 are relevant to this year, (with UC rates subject to uplifts under the Social Security Benefits Up-rating Order 2025 when laid); updates for previous years are retained for reference within previous schemes

- SI 2024 No. 536
- SI 2025 No. 3
- UK Public General Acts 2025 c22
- SI 2025 No 44
- SI 2025 No 201

7. Where a person has an award of Universal Credit, the applicable amount used to calculate their reduction under Hull City Council's scheme is the maximum amount determined by the Secretary of State for the purpose of determining their award of universal credit.
8. Hull City Council will notify a person about a reduction under this scheme via statement on the reverse of the revised Council Tax Bill. Separate notification will be issued at the start of each new financial year.
9. Discretionary powers under Section 13A(1)(c) of the LGFA 2012 that enables an Authority to reduce Council Tax liability to such extent (or, if the amount has been reduced under Section 13A (1) (a), the Council Tax Reduction Scheme, such further extent), as it thinks fit, is administered independently of this scheme under separate Decision Making Guidance.

Changes to the Scheme for 2025 – 26

The definition of "person who is a pensioner" and "person who is not a pensioner" is amended so that that persons of pension age who migrate to Universal Credit as a result of the closure of Working Tax Credit do not lose their entitlement to pension age CTR from 2025-26 onwards.

Other changes, in addition to relevant updates, reflect amendments within The Council Tax Reduction Schemes (Prescribed Requirements) (England) (Amendment) Regulations 2025, to:

- include new income disregards
- remove the two-child limit when considering the CTR for pension age parents.
- clarify that certain payments, to be disregarded from a non-dependant's income, are payments in kind rather than cash payments
- clarify how all relevant disability and other payments and allowances are to be treated in certain circumstances

Amendments are replicated for working age persons where appropriate.

Administrative changes for UC claimants - no impact – which paras are affected if any

Annual up rating of DWP benefits and living allowances

DWP benefits and living allowances are up-rated annually from 1 April, in line with the Consumer Price Index. Changes to any DWP benefits in the period 1 April to 15 April each year apply from 1 April.

The Department for Communities and Local Government review and prescribe the applicable amounts and premiums for pensioners annually each April.

Hull City Council review and set the applicable amounts and premiums for working age persons annually each April. The amounts will be determined in conjunction with figures provided by the Department for Work and Pensions for the Housing Benefit Scheme.

Rates of benefit, applicable amounts and premiums stated within Hull City Council's Council Tax Reduction Scheme for 2025-2026 are those that apply from 1 April 2025.

Legislative changes relating to incomes and benefits

A reduction under this scheme is determined by a means tested calculation similar to that administered under the Council Tax Benefit Scheme and the existing Housing Benefit Scheme. As such legislative changes affecting the income and benefit of applicants, reported as impacting on the administration of Housing Benefit will be reflected within this scheme.

Universal credit

Universal Credit is replacing legacy Welfare Benefits (Child and Working Tax Credit, Income Support, Employment and Support Allowance (income related), Job Seekers Allowance (income based) and Housing Benefit) under a natural migration programme. Hull became a Universal Credit full service area on 12 December 2018.

Revisions and replacement of this scheme

Hull City Council will review this scheme on an annual basis; any replacement or modifications shall be in place by 11 March in the financial year preceding the year in which it takes effect, and will where necessary be subject to prior consultation. The Secretary of State may by order, substitute a different date to that of 11 March.

Statutory Instrument 2017 No.1305, paragraph (2) amended the Local Government Finance Act 1992, substituting 31 January with 11 March for Council Tax Reduction schemes made by billing authorities for financial years beginning 1 April 2018.

Schemes will be effective from the 1 April each year; the matters contained within shall not be questioned except for application for judicial review as provided for under section 66 of the Local Government Finance Act 1992 (amended).

Corporate Anti-Fraud strategy

This scheme is subject to the relevant provisions contained within Hull City Council's Corporate Anti-Fraud Strategy.

General Provisions

- (7) Where an applicant stands in relation to a company in a position analogous to that of a sole owner or partner in the business of that company, he may be treated as if he were such sole owner or partner and in such a case—
- (a) the value of his holding in that company must, notwithstanding paragraph 62 (calculation of capital) be disregarded; and
 - (b) he must, subject to sub-paragraph (8), be treated as possessing an amount of capital equal to the value or, as the case may be, his share of the value of the capital of that company and the foregoing provisions of this Chapter apply for the purposes of calculating that amount as if it were actual capital which he does possess.
- (8) For so long as the applicant undertakes activities in the course of the business of the company, the amount which he is treated as possessing under sub-paragraph (7) is to be disregarded.
- (9) Where an applicant is treated as possessing capital under any of sub-paragraphs (1), (4) or (5) the foregoing provisions of this Chapter apply for the purposes of calculating its amount as if it were actual capital which he does possess.

67. Diminishing notional capital rule: pensioners

- (1) Where an applicant who is a pensioner is treated as possessing capital under paragraph 66(1) (notional capital), the amount which he is treated as possessing—
- (a) in the case of a week that is subsequent to—
 - (i) the relevant week in respect of which the conditions set out in sub-paragraph (2) are satisfied; or
 - (ii) a week which follows that relevant week and which satisfies those conditions,
 is to be reduced by an amount determined under sub-paragraph (3);

- (b) in the case of a week in respect of which sub-paragraph (1)(a) does not apply but where—
 - (i) that week is a week subsequent to the relevant week; and
 - (ii) that relevant week is a week in which the condition in sub-paragraph 4) is satisfied,
 is to be reduced by the amount determined under sub-paragraph (5).
- (2) This sub-paragraph applies to a reduction week where the applicant satisfies the conditions that—
 - (a) he is in receipt of a reduction in council tax under this scheme; and
 - (b) but for paragraph 66 (1), he would have received a greater reduction in council tax under this scheme in that week.
- (3) In a case to which sub-paragraph (2) applies, the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(a) must be equal to the aggregate of—
 - (a) an amount equal to the additional amount of the reduction in council tax to which sub-paragraph (2)(b) refers;
 - (b) where the applicant has also claimed state pension credit, the amount of any state pension credit or any additional amount of state pension credit to which he would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 21(1) of the State Pension Credit Regulations 2002 (notional capital);

- (4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b) the condition is that the applicant is a pensioner and would have been entitled to a reduction in council tax under this scheme in the relevant week but for paragraph 66(1).
- (5) In such a case the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(b) is equal to the aggregate of—

- (a) the amount of the reduction in council tax to which the applicant would have been entitled in the relevant week but for paragraph 66(1);

- (6) But if the amount mentioned in paragraph (a), (b), (c), (d) or (e) of sub-paragraph (5) ("the relevant amount") is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—
- (a) dividing the relevant amount by the number equal to the number of days in that part-week, and
 - (b) multiplying the result of that calculation by 7.
- (7) The amount determined under sub-paragraph (5) is to be re-determined under that subparagraph if the applicant makes a further application for a reduction in council tax and the conditions in sub-paragraph (8) are satisfied, and in such a case—
- (a) paragraphs (a) to (e) of sub-paragraph (5) apply as if for the words "relevant week" there were substituted the words "relevant subsequent week"; and

- (b) subject to sub-paragraph (9), the amount as re-determined has effect from the first week following the relevant subsequent week in question.
- (8) The conditions are that—
- (a) a further application is made 26 or more weeks after—

 whichever last occurred; and
 - (b) the applicant would have been entitled to a reduction in council tax under this scheme paragraph 66(1).
- (9) The amount as re-determined pursuant to sub-paragraph (6) must not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount must continue to have effect.
- (10) For the purposes of this paragraph—
“part-week”—

subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, a reduction; and where more than one reduction week is identified by reference to paragraphs (a) and (b) of this definition, the later or latest such reduction week or, as the case may be, the later or latest such part-week is the relevant week;

 - (ii) a week which follows that relevant week and which satisfies those conditions, is to be reduced by an amount determined under sub-paragraph (3);
 - (b) in the case of a week in respect of which sub-paragraph (1)(a) does not apply but where—
 - (i) that week is a week subsequent to the relevant week; and
 - (ii) that relevant week is a week in which the condition in sub-paragraph (4) is satisfied, is to be reduced by the amount determined under sub-paragraph (5).

 - (e) where the applicant has also claimed an employment and support allowance, the amount of an income-related employment and support allowance to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008 (notional capital).
- (4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b) the condition is that the applicant is not a pensioner and would have been entitled to a reduction in council tax in the relevant week but for paragraph 66(1).
- (5) In such a case the amount of the reduction in the amount of capital he is treated as possessing must be equal to the aggregate of—
- (a) the amount of council tax reduction to which the applicant would have been entitled in the relevant week but for paragraph 66(1);

- (a) dividing the relevant amount by the number equal to the number of days in that part-week, and
- (b) multiplying the result of that calculation by 7.
- (7) The amount determined under sub-paragraph (5) is to be re-determined under the appropriate sub-paragraph if the applicant makes a further application for a reduction in council tax and the conditions in sub-paragraph (8) are satisfied, and in such a case—

CHAPTER 2

Income

75. Calculation of grant income

- (1) The amount of a student's grant income to be taken into account must, subject to subparagraphs (2) and (3), be the whole of his grant income.
- (2) There must be excluded from a student's grant income any payment—
 - (a) intended to meet tuition fees or examination fees;
 - (b) in respect of the student's disability;
 - (c) intended to meet additional expenditure connected with term time residential study away from the student's educational establishment;

 - (g) intended to meet travel expenses incurred as a result of his attendance on the course;
 - (h) intended for the child care costs of a child dependant;
 - (i) of higher education bursary for care leavers made under Part 3 of the Children Act 1989.
- (3) Where a student does not have a student loan and is not treated as possessing such a loan, there must be excluded from the student's grant income—
 - (a) the sum of £303 per academic year in respect of travel costs; and
 - (b) the sum of £390 per academic year towards the costs of books and equipment,
whether or not any such costs are incurred.
- (4) There must also be excluded from a student's grant income the grant for dependants known as the parents' learning allowance paid pursuant to regulations made under Article 3 of the Education (Student Support) (Northern Ireland) Order 1998 or section 22 of the Teaching and Higher Education Act 1998.
- (5) Subject to sub-paragraphs (6) and (7), a student's grant income must be apportioned—
 - (a) subject to sub-paragraph (8), in a case where it is attributable to the period of study, equally between the weeks in that period beginning with the reduction week, the first day of which coincides with, or immediately follows, the first day of the period of study and ending

- with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period of study;
- (b) in any other case, equally between the weeks in the period beginning with the reduction week, the first day of which coincides with, or immediately follows, the first day of the period for which it is payable and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period for which it is payable.
- (6) Any grant in respect of dependants paid under section 63(6) of the Health Services and Public Health Act 1968 (grants in respect of the provision of instruction to officers of hospital authorities) and any amount intended for the maintenance of dependants under Part 3 of Schedule 2 to the Education (Mandatory Awards) Regulations 2003 must be apportioned equally over the period of 52 weeks or, if there are 53 reduction weeks (including part-weeks) in the year, 53.
- (7) In a case where a student is in receipt of a student loan or where he could have acquired a student loan by taking reasonable steps but had not done so, any amount intended for the maintenance of dependants to which neither sub-paragraph (6) nor paragraph 79(2) (other amounts to be disregarded) applies, must be apportioned over the same period as the student's loan is apportioned or, as the case may be, would have been apportioned.
- (8) In the case of a student on a sandwich course, any periods of experience within the period of study must be excluded and the student's grant income must be apportioned equally between the weeks in the period beginning with the reduction week, the first day of which immediately follows the last day of the period of experience and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period of study.

76. Calculation of covenant income where a contribution is assessed

- (1) Where a student is in receipt of income by way of a grant during a period of study and a contribution has been assessed, the amount of his covenant income to be taken into account for that period and any summer vacation immediately following must be the whole amount of the covenant income less, subject to sub-paragraph (3), the amount of the contribution.
- (2) The weekly amount of the student's covenant must be determined—
- (a) by dividing the amount of income which falls to be taken into account under subparagraph (1) by 52 or 53, whichever is reasonable in the circumstances; and
- (b) by disregarding £5 from the resulting amount.
- (3) For the purposes of sub-paragraph (1), the contribution must be treated as increased by the amount (if any) by which the amount excluded under

paragraph 75(2)(g) (calculation of grant income) falls short of the amount specified in paragraph 7(2) of Schedule 2 to the Education (Mandatory Awards) Regulations 2003 (travel expenditure).

77. Covenant income where no grant income or no contribution is assessed

- (1) Where a student is not in receipt of income by way of a grant the amount of his covenant income must be calculated as follows—
 - (a) any sums intended for any expenditure specified in paragraph 75(2)(a) to (e) (calculation of grant income) necessary as a result of his attendance on the course must be disregarded;
 - (b) any covenant income, up to the amount of the standard maintenance grant, which is not so disregarded, must be apportioned equally between the weeks of the period of study;
 - (c) there must be disregarded from the amount so apportioned the amount which would have been disregarded under paragraph 75(2)(f) and (3) (calculation of grant income) had the student been in receipt of the standard maintenance grant; and
 - (d) the balance, if any, must be divided by 52 or 53 whichever is reasonable in the circumstances and treated as weekly income of which £5 must be disregarded.
- (2) Where a student is in receipt of income by way of a grant and no contribution has been assessed, the amount of his covenanted income must be calculated in accordance with subparagraphs (a) to (d) of sub-paragraph (1), except that—
 - (a) the value of the standard maintenance grant must be abated by the amount of such grant income less an amount equal to the amount of any sums disregarded under paragraph 75(2)(a) to (e); and
 - (b) the amount to be disregarded under sub-paragraph (1)(c) must be abated by an amount equal to the amount of any sums disregarded under paragraph 75(2)(f) and (g) and (3).

78. Relationship with amounts to be disregarded under Schedule 8

No part of a student's covenant income or grant income shall be disregarded under paragraph 19 of Schedule 8 (disregard of certain charitable and voluntary etc; payments).

79. Other amounts to be disregarded

- (1) For the purposes of ascertaining income other than grant income, covenant income and loans treated as income in accordance with paragraph 79 (treatment of student loans), any amounts intended for any expenditure specified in paragraph 75(2) (calculation of grant income), necessary as a result of his attendance on the course shall be disregarded.
- (2) But sub-paragraph (1) applies only if, and to the extent that, the necessary expenditure exceeds or is likely to exceed the amount of the sums disregarded under paragraph 75(2) or (3), 76(3), 77(1)(a) or (c) or 80(5) (calculation of grant income, covenant income and treatment of student loans) on like expenditure.

80. Treatment of student loans

- (1) A student loan is to be treated as income.
- (2) In calculating the weekly amount of the loan to be taken into account as income—
 - (a) in respect of a course that is of a single academic year's duration or less, a loan which is payable in respect of that period is to be apportioned equally between the weeks in the period beginning with—
 - (i) except in a case where sub-paragraph (ii) applies, the reduction week, the first day of which coincides with, or immediately follows, the first day of the single academic year;
 - (ii) where the student is required to start attending the course in August or where the course is less than an academic year's duration, the reduction week, the first day of which coincides with, or immediately follows, the first day of the course,
 and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the course;
 - (b) in respect of an academic year of a course which starts other than on 1st September, a loan which is payable in respect of that academic year is to be apportioned equally between the weeks in the period—
 - (i) beginning with the reduction week, the first day of which coincides with or immediately follows, the first day of that academic year, and
 - (ii) ending with the reduction week, the last day of which coincides with or immediately precedes, the last day of that academic year,
 but excluding any reduction weeks falling entirely within the quarter during which, in the opinion of the authority, the longest of any vacation is taken and for the purposes of this paragraph, "quarter" shall have the same meaning as for the purposes of the Education (Student Support) Regulations 2005;
 - (c) in respect of the final academic year of a course (not being a course of a single year's duration), a loan which is payable in respect of that final academic year is to be apportioned equally between the weeks in the period beginning with—

- (i) except in a case where sub-paragraph (ii) applies, the reduction week, the first day of which coincides with, or immediately follows, the first day of that academic year;
 - (ii) where the final academic year starts on 1st September, the reduction week, the first day of which coincides with, or immediately follows, the earlier of 1st September or the first day of the autumn term, and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the course;
- (d) in any other case, the loan is to be apportioned equally between the weeks in the period beginning with the earlier of—
 - (i) the first day of the first reduction week in September; or
 - (ii) the reduction week, the first day of which coincides with, or immediately follows the first day of the autumn term, and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of June,
 and, in all cases, from the weekly amount so apportioned there shall be disregarded £10.
- (3) A student is to be treated as possessing a student loan in respect of an academic year where—
 - (a) a student loan has been made to him in respect of that year; or
 - (b) he could acquire such a loan in respect of that year by taking reasonable steps to do so.
- (4) Where a student is treated as possessing a student loan under sub-paragraph (3), the amount of the student loan to be taken into account as income must be, subject to sub-paragraph (5)—
 - (a) in the case of a student to whom a student loan is made in respect of an academic year, a sum equal to—
 - (i) the maximum student loan he is able to acquire in respect of that year by taking reasonable steps to do so; and
 - (ii) any contribution whether or not it has been paid to him;
 - (b) in the case of a student to whom a student loan is not made in respect of an academic year, the maximum student loan that would be made to the student if—
 - (i) he took all reasonable steps to obtain the maximum student loan he is able to acquire in respect of that year; and
 - (ii) no deduction in that loan was made by virtue of the application of a means test.
- (5) There must be deducted from the amount of income taken into account under sub-paragraph (4)—
 - (a) the sum of £303 per academic year in respect of travel costs; and
 - (b) the sum of £390 per academic year towards the cost of books and equipment,
 whether or not any such costs are incurred.

- (6) A loan for fees, known as a fee loan or a fee contribution loan, made pursuant to regulations made under Article 3 of the Education (Student Support) (Northern Ireland) Order 1998, section 22 of the Teaching and Higher Education Act 1998 or section 73(f) of the Education (Scotland) Act 1980, shall be disregarded as income.

81. Treatment of payments from access funds

- (1) This paragraph applies to payments from access funds that are not payments to which paragraph 84(2) or (3) (income treated as capital) applies.
- (2) A payment from access funds, other than a payment to which sub-paragraph (3) applies, must be disregarded as income.
- (3) Subject to sub-paragraph (4) of this paragraph and paragraph 40 of Schedule 8—
- (a) any payments from access funds which are intended and used for an item of food, ordinary clothing or footwear, household fuel, or rent of a single applicant or, as the case may be, of the applicant or any other member of his family, and
 - (b) any payments from access funds which are used for any council tax or water charges for which that applicant or member is liable, must be disregarded as income to the extent of £20 per week.
- (4) Where a payment from access funds is made—
- (a) on or after 1st September or the first day of the course, whichever first occurs, but before receipt of any student loan in respect of that year and that payment is intended for the purpose of bridging the period until receipt of the student loan; or
 - (b) before the first day of the course to a person in anticipation of that person becoming a student, that payment must be disregarded as income.

82. Disregard of contribution

Where the applicant or his partner is a student and, for the purposes of assessing a contribution to the student's grant or student loan, the other partner's income has been taken into account, an amount equal to that contribution must be disregarded for the purposes of assessing that other partner's income.

83. Further disregard of student's income

Where any part of a student's income has already been taken into account for the purposes of assessing his entitlement to a grant or student loan, the amount taken into account must be disregarded in assessing that student's income.

84. Income treated as capital

- (1) Any amount by way of a refund of tax deducted from a student's covenant income must be treated as capital.
- (2) An amount paid from access funds as a single lump sum must be treated as capital.
- (3) An amount paid from access funds as a single lump sum which is intended and used for an item other than food, ordinary clothing or footwear, household fuel or rent, or which is used for an item other than any council tax or water charges for which that applicant or member is liable, must be disregarded as capital but only for a period of 52 weeks from the date of the payment.

85. Disregard of changes occurring during summer vacation

In calculating a student's income the authority must disregard any change in the standard maintenance grant, occurring in the recognised summer vacation appropriate to the student's course, if that vacation does not form part of his period of study from the date on which the change occurred to the end of that vacation.

- (2) Where a person is otherwise entitled to a reduction under this scheme and becomes liable for the first time for the authority's council tax in respect of a dwelling of which he is a resident in the reduction week in which his application is made or is treated as made, he shall be so entitled from that reduction week.

105A. Date on which entitlement begins for persons falling under class F: Additional provisions for working age persons who are universal credit claimants

Any person who is a Universal Credit claimant is entitled to a reduction under this scheme, where an application is made in accordance with Schedule 1 Part 1, from the reduction week following the first day of the Universal credit assessment period that was relevant on

- (a) the date the application is determined as being made under paragraph 109 (1) (c) where there is an award of Universal Credit; or
- (b) the date the application is determined as being made under paragraph 109 (1) (g) where there is no award of Universal Credit in view of the amount of earned income of the applicant or the applicant and his partner jointly during the assessment period; or
- (c) the date determined as the start of the maximum period for which a backdated reduction can be allowed under paragraph 111A

106. Date on which change of circumstances is to take effect

- (1) Except in cases where paragraph 59 (disregard of changes in tax, contributions, etc.) applies and subject to the following provisions of this paragraph and (in the case of applicants who are pensioners) paragraph 107 (change in circumstances where state pension credit in payment) a change of circumstances which affects entitlement to, or the amount of, a reduction under this scheme ("change of circumstances"), takes effect from the first day of the reduction week following the date on which the change actually occurs.

- (2) Where that change is cessation of entitlement to any benefit under the benefit Acts, the date on which the change actually occurs shall be the day immediately following the last day of entitlement to that benefit.
- (3) Subject to sub-paragraph (4), where the change of circumstances is a change in the amount of council tax payable, it takes effect from the day on which it actually occurs.
- (4) Where the change of circumstances is a change in the amount a person is liable to pay in respect of council tax in consequence of regulations under section 13 of the 1992 Act (reduced amounts of council tax) or changes in the discount to which a dwelling may be subject under section 11 or 11A of that Act (discounts), it shall take effect from the day on which the change in amount has effect.
- (5) Where the change of circumstances is the applicant's acquisition of a partner, the change takes effect on the day on which the acquisition takes place.
- (6) Where the change of circumstances is the death of an applicant's partner or their separation, it takes effect on the day the death or separation occurs.
- (7) If two or more changes of circumstances occurring in the same reduction week would, but for this paragraph, take effect in different reduction weeks in accordance with sub-paragraphs (1) to (6) they take effect from the day to which the appropriate sub-paragraph from (3) to (6) above refers, or, where more than one day is concerned, from the earlier day.
- (8) Where the change of circumstances is that income, or an increase in the amount of income, other than a benefit or an increase in the amount of a benefit under the SSCBA, is paid in respect of a past period *and there was no entitlement to income of that amount during that period*, the change of circumstances shall take effect from the first day on which such income, had it been paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.
- (9) Without prejudice to sub-paragraph (8), where the change of circumstances is the payment of income, or arrears of income, in respect of a past period, the change of circumstances takes effect from the first day on which such income, had it been timeously paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.
- (10) Where the change in circumstances is the award of a relevant benefit, within the meaning of Section 8 (3) of the SSCBA 1998, which is advantageous and this occurs during the award of a reduction, the Council Tax reduction may be amended to take this into account, at any time.

- (11) Sub-paragraph (12) applies if—
- (a) the applicant or the applicant's partner has attained pensionable age
(*'the age of 65' omitted for alignment of rising pensionable age SI 2017 No. 1305*)

- (12) Where this sub-paragraph applies, the change of circumstances referred to in sub-paragraph (11)(b) takes effect from the effective date.
- (13) in sub-paragraph (12), but subject to sub-paragraph (14), "the effective date" means—
- (a) where more than one change of a kind referred to in sub-paragraph (11)(b) relating to the same non-dependant has occurred since—
 - (i) the date on which the applicant's entitlement to a reduction under this scheme first began; or
 - (ii) the date which was the last effective date in respect of such a change,
 whichever is the later, the date which falls 26 weeks after the date on which the first such change occurred;
 - (c) where paragraph (a) does not apply, the date which falls 26 weeks after the date on which the change referred to in sub-paragraph (11)(b) occurred.
- (14) If in any particular case the date determined under sub-paragraph (13) is not the first day of a reduction week, the effective date in that case is to be the first day of the next reduction week to commence after the date determined under that sub-paragraph.
- (15) Unless the change of circumstances is one that is provided for within paragraph 107 or A108, where a change is not reported within one calendar month of it occurring, as required under paragraph 114 (2), and the change would advantageously effect a Council Tax Reduction, the effective date of the change will be treated as being the date upon which the notification of the change was received, unless there is good reason for the late notification.

106A. Date on which change of circumstances is to take effect: Additional provisions for working age persons who are universal credit claimants

- (1) Provisions under sub paragraphs (2) and (3) are subject to Part 13A: UC CTR review period

- (3) Where the change under paragraph (2) means there is no Universal Credit payment for that assessment period, as other income / earnings / capital for that assessment period exceed the conditions for entitlement, the income / earnings / capital determined by the Secretary of State for that assessment period shall take effect from the first day of the assessment period to which that change relates.

107. Change of circumstances where state pension credit in payment

 - (b) the amount of state pension credit awarded to him is changed in consequence of a change in the applicant's circumstances or the correction of an official error; and
 - (c) the change in the amount of state pension credit payable to the applicant results in a change in the amount of a reduction he receives under this scheme.
- (2) Where the change of circumstance is that an increase in the amount of state pension credit payable to the applicant results in—
 - (a) an increase in the reduction he receives under this scheme, the change takes effect from the first day of the reduction week in which state pension credit becomes payable at the increased rate; or
 - (b) a decrease in the reduction he receives under this scheme, the change takes effect from the first day of the reduction week next following the date on which—
 - (i) the local authority receives notification from the Secretary of State of the increase in the amount of state pension credit; or
 - (ii) state pension credit is increased,
 whichever is the later.
- (3) Where the change of circumstance (“the relevant change”) is that the applicant's state pension credit has been reduced and in consequence the reduction the applicant receives under this scheme reduces—

- (a) in a case where the applicant's state pension credit has been reduced because the applicant failed to notify the Secretary of State timeously of a change of circumstances, the relevant change takes effect from the first day of the reduction week from which state pension credit was reduced; or
 - (b) in any other case the relevant change takes effect from the first day of the reduction week next following the date on which—
 - (i) the authority receives notification from the Secretary of State of the reduction in the amount of state pension credit; or
 - (ii) state pension credit is reduced,
 whichever is the later.
- (4) Where the change of circumstance is that state pension credit is reduced and in consequence of the change, the amount of a reduction he receives under this scheme is increased, the change takes effect from the first day of the reduction week in which state pension credit becomes payable at the reduced rate.
- (5) Where a change of circumstance occurs in that an award of state pension credit has been made to the applicant or his partner and this would result in a decrease in the amount of reduction he receives under this scheme, the change takes effect from the first day of the reduction week next following the date on which—
- (a) the authority receives notification from the Secretary of State of the award of state pension credit; or
 - (b) entitlement to state pension credit begins,
- whichever is the later.
- (6) Where, in the case of an applicant who, or whose partner, is or has been awarded state pension credit comprising only the savings credit, there is—
- (a) a change of circumstances of a kind described in any of sub-paragraphs (2) to (5) which results from a relevant calculation or estimate; and
 - (b) a change of circumstances which is a relevant determination, each of which results in a change in the amount of reduction the applicant receives under this scheme, the change of circumstances referred to in sub-paragraph (b) takes effect from the day specified in sub-paragraph (2), (3), (4) or (5) as the case may be, in relation to the change referred to in paragraph (a).
- (7) Where a change of circumstance occurs in that a guarantee credit has been awarded to the applicant or his partner and this would result in an increase in the amount of a reduction the applicant receives under this scheme, the change takes effect from the first day of the reduction week next following the date in respect of which the guarantee credit is first payable.

(8) Where a change of circumstances would, but for this sub-paragraph, take effect under the preceding provisions of this paragraph within the 4 week period specified in paragraph 92 (continuing reductions where state pension credit claimed), that change takes effect on the first day of the first reduction week to commence after the expiry of the 4 week period.

(9) In this paragraph—
