Prior to completing the application form, please note the following **important information**.

- The non-refundable fee is **payable on application**, not after a decision is made.
- A minimum width of 2000mm clear space should be provided between the obstacle and the edge of the footway. If this is not feasible due to physical constraints, then a minimum width of 1500mm could be regarded as the minimum acceptable distance.

- As part of the process, you are required to display a notice at the premises (see page 5).
- You must also successfully complete the nationally recognised counter terrorism training product referred to as ACT eLearning package. Please visit [www.protectuk.police.uk](http://www.protectuk.police.uk) for details.
