

# Tell us what you think

## Beverley Road Calders Community Consultation 20 May 2024 to 20 August 2024.

We are considering making changes that will affect your community and the area you live or work in. We are asking for your opinion on possible plans to refurbish or demolish 37 houses so that we can build a similar number of new, quality, energy efficient homes. Even if we refurbish the houses residents would need to move out of these homes for around 3 months whilst works take place.

The opinions and information you give will be used to make decisions about the future of these homes in the area and to assess housing need. If you would like more details about how we use your personal information please call us on 300300 or visit our website - <https://www.hull.gov.uk/privacy-policy>
