administering public funds including the Audit Commission. More details can be found on the Privacy Page of our website www.hullcc.gov.uk

B. YOUR PERMIT

10. Your parking exemption permit will only be valid when displayed clearly and continuously within a vehicle, so **all particulars** (designated permit zone, vehicle registration mark, expiry date and permit number) are readily visible and legible through the front windscreen.

11. A valid business residents' permit correctly on display in the vehicle will make it exempt from any maximum waiting time restrictions in any on-street parking place within the boundaries of the applicable CPZ.

12. Failure to display your business permit may result in a Penalty Charge Notice (PCN) being issued to your vehicle. It will not be a valid defence against such penalty charge to claim that you were in fact granted an exemption permit from the Council.

13. A business residents' exemption permit DOES NOT provide an exemption from any other on-street parking restriction as specified in the relevant Traffic Regulation Order and indicated with appropriate traffic signs and / or road markings, such as double yellow lines.

14. A business residents' permit does not give you a right to a parking space. It is merely an entitlement to use any available on-street parking space within the CPZ **for longer than it is generally permitted** for motorists.

15. **All permits are valid for a fixed period and will expire annually.** It is the responsibility of the business resident in whose name permit was issued, to make an application for its renewal in a timely manner by using such prescribed form as may be specified by the Council.

16. The permits are only valid whilst your business remains resident in the CPZ. If you move away, you must hand them back to the Council as soon as reasonably possible.

17. A replacement charge of **£10.00** will be payable for any permit that is lost, damaged or tampered with.
