Humber Historic Environment Record

Commercial Charging Policy

The Historic Environment Record (HER) contains all known archaeological remains and historic buildings in Hull and the East Riding of Yorkshire. It covers from prehistoric to the present day.

Commercial Enquires charges

Basic HER Search £157.50+vat, delivered in 10 working days

Priority HER Search £262.50+vat, delivered in 2 working days

The above searches will provide you with: PDF maps or GIS files, accompanying gazetteers provided as html/xml for the HER data, event records and Historic Landscape Characterisation Data.

You will need to request and complete a Humber Historic Environment Record Commercial Request Form for Historic Environment Record Data. Please e-mail archaeology@hullcc.gov.uk for a form or find our forms on the Hull City Council Website:

<http://www.hull.gov.uk/environment/environment/humber-historic-environment-record> .We aim to respond to all emails within 5 working days. Until we receive a fully completed form we will not be able to progress with the search.

All enquiries to: Humber Historic Environment Record, The Old School, Northumberland Avenue, Hull, HU2 OLN, 01482 612 789 or 612 787
