## Information Required

Please indicate the data required, this can be supplied as Shapefiles, GIS files or both. **At present we are not able to offer PDF maps.** Accompanying gazetteers are provided as html/xml for the HER data and event records.

### HER Data

Please mark required data	Shape Files	Mapinfo
HER Data		
Event Records		
Historic Landscape Characterisation Data		

Please be aware there will be other information in paper format related to the HER data. Along with grey literature reports that can be made available to you if you made a visit to the HER.

The majority of our GIS files will be point data only so it is possible that cropmarks may extend into your search area but their central point falls outside of your search area.

We recommend for Nationally Designated Heritage Asset records, such as Scheduled Monument, Listed Buildings, Registered Parks and Gardens and Battlefields you will need to visit The National Heritage List for England (NHLE) it is the only official, up to date register of all nationally protected historic buildings and sites in England.

If you have any further requests that are not on this form please enter them in the box below
