

# Choosing your pitch

Certain areas of the city are more appropriate than others for busking, while some streets have by-laws in place which prohibit busking altogether.

Buskers are encouraged to use the city's larger areas, in particular –

- 1 Paragon Interchange
- 2 Jameson Street/King Edward Street corner
- 3 Queen Victoria Square
- 4 Whitefriagate (Beverley Gate)
- 5 Parliament Street
- 6 Trinity Square
- 7 The bandstand in Queens Gardens
- 8 Chapel Lane Staith (bridge opening in 2013)
