Dear Mr Coates and Mr Griffiths

NEWINGTON NEIGHBOURHOOD PLAN EXAMINATION

Thank you for the responses to my initial questions, which are helpful. Following my site visit, and as a result of my further consideration of the Newington Neighbourhood Plan (the Plan), I have two follow up questions for the Neighbourhood Forum and Hull City Council. I would like to receive a written response as soon as practicable (ideally by **Monday 5 December 2022**).

1. Am I correct in assuming the references to policies GP13 and GP15 relating to proposed crossing improvements and proposed walking and cycling in the key to the Policies Map should be references to policies GP12 and GP14?
2. I have been unable to find specific policy statements in the Plan relating to the yellow circles identifying proposed crossing improvements on the Policies Map. Am I correct in assuming that any improvements would be matters for the Highway Authority?

In the interests of transparency, may I prevail upon you to ensure a copy of this letter is placed on both the Neighbourhood Forum and Hull City Council websites? Thank you in advance for your assistance.

Yours sincerely

Patrick T Whitehead
