

# FORTNIGHTLY CLOTHING COLLECTION

Envirofriendly Recycling (EMEA Ltd) is a Hull clothing reuse and recycling company working in partnership with Hull City Council.

Clothing we collect helps raise funds for community projects in Hull as well as providing affordable clothing for people in Eastern Europe.

From May 2024, collections will take place on the same day your blue recycling bins are emptied.

## CLEAN ITEMS WE COLLECT PLEASE...

We can collect any of the above bagged items from the edge of your property or driveway.

Please make sure all clothing and shoes for collection are placed in tied bags.

Don't leave clothes and shoes bags in front of bins, inside bins or on bin lids.

**Please keep this flyer for future reference**
