

App Features to get from A - B!

1 Mobile tickets

Purchase mobile tickets securely with a debit/credit card and use when boarding - no more searching for cash!

2

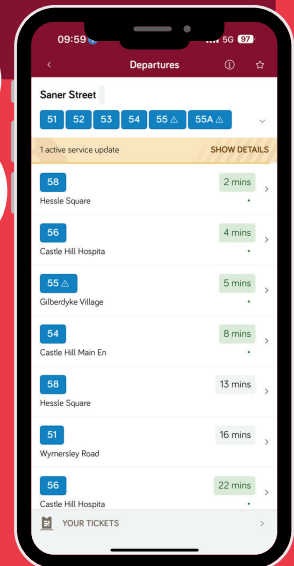

Plan Your Journey

Work out your daily commute or tomorrow's trip to the shops. With over 11,000 locations to search for, there's plenty to keep you busy.

Live Departures

Browse and view bus stops on the map, explore upcoming departures, or check out the Destinations screen and see where you could travel next. Try out the 'Destinations' button!

3

Timetables

We've squeezed all of the routes and times into the palm of your hand!

5

4 Service updates

No one likes disruptions to their journey, but now you'll be able to keep up to date with service changes directly inside the app.
