## STEPNEY AREA - SCULCOATES PARK

The HSA Partnership is working with Hull City Council to consider how Beverley Road, the former railway line and Sculcoates Park could be improved. We are interested in what you think as someone who lives nearby or uses Beverley Road.

## STEPNEY AREA - SCULCOATES PARK

**Do you use Sculcoates Park/Redtop Park? Why?**

**What would you like to improve about Sculcoates Park?**

- |  |                                   |                                      |
|--|-----------------------------------|--------------------------------------|
| <input type="radio"/> Play area        | <input type="radio"/> Footpaths   | <input type="radio"/> Something else |
| <input type="radio"/> Safety           | <input type="radio"/> Lighting    | (please give details):               |
| <input type="radio"/> Accessibility    | <input type="radio"/> Sports area |                                      |
| <input type="radio"/> Street furniture | <input type="radio"/> Planting    |                                      |

**What are the top 3 things you would like to see in Sculcoates Park?**

Please tick 3:

- |   |  |
|---|--|
| <input type="radio"/> Attractive planting                                     | <input type="radio"/> Quality street furniture and cycle parking |
| <input type="radio"/> Different types of play equipment<br>for different ages | <input type="radio"/> Attractive lighting                        |
| <input type="radio"/> Community space / events space                          | <input type="radio"/> Something else (please give details):      |
| <input type="radio"/> Improved basketball pitches and<br>sports facilities    |  |

**Would you use Sculcoates Park in your everyday life/routine if these changes were made to the park?**
